**What are we
going to do?**

What are we going to do?

- Developed a training calendar
- Offer training that will have a positive effect (Supervisor, OHC)
- Offer site specific activities (inspections, gap analysis, audits, JHA, etc)
- Priority company initiative (Batco, Wheatheart)
 - Management/employee buy-in
 - Focus on safety
 - Used us a resource only
 - They did it – not us
- Now they have to sustain

New training coming

- Safety Management System
- Return to Work Train the Trainer
- Internal Auditing
- Ergonomics

Post a list of “Modified Duties with Physical Demands” from companies within our association on the AMC web site.

Where is CASH Certification going?

- Incentives?
- One company attempted the CASH audit
- We are strongly recommending Gap Analysis
- Incentives will come – be ready!
