

Press Release

September 29, 2008

Westward Parts Services Ltd. of Red Deer, Alberta (“Westward”) and Spray-Tech Systems Ltd. (“Spray-Tech”) of Vonda, Saskatchewan are pleased to announce that Spray-Tech has sold its Sprayer Division to Westward effective September 26, 2008.

Spray-Tech’s owners have opportunities to move their manufacturing and sales operations into new and different areas, and Westward will add this sprayer manufacturing to its Westward brand of sprayers. Westward will manufacture Spray-Tech sprayers in Olds and in Red Deer maintaining the “Spray-Tech” brand, and maintaining the existing distribution system established by Spray-Tech.

Manufacturing equipment, work in progress, raw materials and finished goods will soon be transferred to Red Deer, Alberta.
