PIMA Overview

- Procedure Database is up and running on the PIMA website
 - To access the procedures database you will need a user name and password which are as follows:
 - Your user name is your company e-mail address as listed in the PIMA directory and your password is 7462.

PIMA Safety Golf Tournament

- PIMA will send out a letter in regards to having a PIMA Safety golf tournament, the letter will ask for general interest in the event. If there are enough people interested to make it a go you will be contacted.
- Contact person is Morley Wishart

TDG Training

- Morley has set up a TDG training session to make it easier to re-certify all the people whose certificates are expiring this year.
- The course will be held
 - March 16th
 - 8:00am – Noon
 - Winkler Days Inn and Suites

Online WHMIS

- PIMA is hoping to have online WHMIS up and running on the website before the end of the month.

NOTE: Online WHMIS is running as of February 25, 05

- The online WHMIS course is not to be a replacement for the in Company WHMIS training that PIMA currently does. WHMIS training will still be available to companies that wish to have it.
- Online course time is approx. 2-3 hours in total.
- Course does not need to be completed all at the same time; it can be done in time intervals of whatever you choose.

Strategic Planning

- There are a few different companies that have expressed an interest in Strategic planning.
- PIMA will bring in a company to teach strategic planning to the committee members that wish to take it.

Guarding Committee

- There is a Guarding Committee in place that will be meeting in the next 2 weeks.
- The purpose of the committee is to review guarding proposed regulations and make industry suggestions
- The committee is under a time limit of 3 months
