Note: This report is not verbatim but is complete and inclusive of all significant discussion to the best of the writer's ability. This is a Meeting Report rather than official Minutes and should be read in conjunction with the attached materials.

1. **Introductions**
2. **Andrew Dolhy Presentation on the Aging Workplace**
 - Handouts given- Occupational Health Center, Focus Newsletter, PowerPoint presentation.
 - MSI regulations can be accessed through the Safe Manitoba Website safemanitoba.com
 - Question Period topics:
 - The doctors at the Occupational health center are available to everyone in Manitoba.
 - The occupational Health Center does not have a lot of equipment on site as a lot of their patients have already gone through x-rays and such, they generally come in with the information. They do however have a lung capacity test onsite and can refer the patients for further testing.
3. **Dani's Presentation on Incident Investigation**
 - Peter Scarlet advised the attendees of a specialist he had come into his shop. He was a machine guarding specialist that was involved in the development of some CSA standards. He advised that the specialist is willing to speak at a 310-10 meeting if all of his expenses were paid for.
 - Dani will send out an email seeing who is interested in assisting in the fee required to have the specialist come to the meeting.

- Dani requested suggestions for the 310-10 meetings:
 1. Dave Crammer to come in December
 2. Incident investigation individual from WCB (George)
 3. Fraud claims/ Doctors issues (WCB)
 4. Wellness Programs
 5. Recognizing Stress, drug and alcohol problems in the workplace. (Maurine from OHC)
 6. 5 S, Lean. (Canadian manufactures and exporters)

- Dani advised that AMC is going to be providing a list of the potential guests and will bring in the one to the next 310-10 meetings that gets the most feed back. She will be sending out an email.

- Warren Scott mentioned that he appreciated when the presenters are able to make their presentation specific to their companies. He gave Dave Crammers presentation as an example. He mentioned there might be a benefit in bringing committee members and management to some of the meeting.

- Dani discussed AMC's training courses that have a cost and those that do not.

- Discussed the benefits of Co-op training, requested members consider offering facilities to outside companies when they are receiving training.

The next 310-10 Meeting will be held on September 9, 2009 in Brandon, MB.
Location to be announced.
