Note: This report is not verbatim but is complete and inclusive of all significant discussion to the best of the writer's ability. This is a Meeting Report rather than official Minutes and should be read in conjunction with the attached materials.

1. Chris Budzich – AMC Business
 - a. CASH Audit – make sure you sign up soon for it.
 - i. 2 guys can come out and do a gap analysis – a good start for a company into the CASH Program
 - ii. Register for CASH or the Gap Analysis – they will be busy during the fall.
 - b. Outside organizations requiring certification before they work there
 - i. Not a lot of discussion around this here in Saskatchewan
 - ii. Discussion around CPAC/CPAT –
 - c. Change at AMC – June 1 – Marty Cobb will be the Safety Manager @ AMC – Chris is leaving at the end of May.
 - d. Jack Hardy – has moved to WCB and is in charge of the Audit program in a new position for audits.
 - e. Auditor Training – this program will be ready July 15, 2008.
2. Fit Testing – We need to have a doctor come and do the physical training. Do not do this yourself. AMC can do the fit testing – Train the trainer on fit testing. Make sure the medical qualifications are done by a professional. SUGGESTION – DO A FIT TESTING SEMINAR AT THE NEXT MEETING TO GET THIS REQUIREMENT DONE. (Look in the back of the CSA for the medical form.)
3. Action Item – Marty will send out the form we are supposed to use for medical fit test.
4. Need to forklift test all of the people on Forklift and Cranes and have records of this.
5. Gord Moker – Safe Saskatchewan: A Vision
Former WCB Employee – 15 years
The presentation is available from Marty.
Injury prevention is the answer to our overloaded hospital system.
Preventable injuries cost the province of Sask. approximately \$1 Billion/year
6. Jennifer Fabian -- Injury Prevention Framework
The presentation is available from Marty
** All accidents can be prevented

NEXT MEETING – AUGUST 5, 2008 – REGINA, SK SEVEN OAKS
